Hey Facebook friends, John Hook here. Tonight at 9, the story of a man taken down by Police in a parking lot last year. He suffered 3rd degree burns over a third of his body. Did police go too far, or were their actions justified. Tonight at 9... and then play the role of jury on Facebook... and let us know how you would rule!!! John

Officer Gog and friends not only knew who I was specifically but the state of the art photo identification affixed to my wrist from Desert Vista in Mesa "where I was detained and questioned by the secret service about correctly predicting earthquakes on my websites" was on the wrist that was cuffed when I was arrested for not having the correct color of Golfland Sunsplash

bracelet on my wrist and was specifically mentioned while the officer cuffed both hands behind my back while I was still inside the park.

The results of the link are quotes I made the month before the first ever Christchurch Earthquake fatalities on February 22 in 2011, the 2/22 Tuesday first ever Christchurch Earthquake fatalities that Washington changed his birthday to 2/22 for exactly 222 years to the day of my birth. That 2/22 Tuesday in twenty eleven was 2 weeks and 2 days to the tsunami tohoku costliest natural disaster ever in the history of mankind I predicted online and in detail as well. Jesus Christchurch Canterbury.
